

WOMEN AT THE WELL REPORT
September 4, 2007

Since Lent of 2003 the **Women at the Well** ministry has offered retreats at several locations in the diocese. As of August 2007, this group has disbanded and will no longer hold retreats for women. Due to the generosity of women of the diocese, there is approximately \$6050.00 of W@W monies left in the ECW account. Attached is a recommendation from the W@W Board for establishing a **WOMEN AT THE WELL SCHOLARSHIP FUND** to be administered by the ECW Board.

I am giving the Archivist a scrapbook and other items which have been compiled by the Women at the Well. The W@W Board is requesting that these items become a part of the permanent records of the ECW of Alabama.

The W@W movement in the Diocese of Alabama was created by The Rev. Joy Phipps. With her energy and devotion the entire project revolved around her. I strongly recommend that the ECW Board pass the attached resolution in thanksgiving for Joy Phipps' dedication to this ministry.
