

Scholarship Committee Report 2005

The Scholarship Committee composed of Mary Armayor from Eutaw, Hannah Boone from Huntsville, Sarah Clegg from Alex City, and the Coordinator, Joyce Dryden, reviewed all applications received by the April 30th deadline and, after prayerful consideration, decided to award scholarships to all twenty-two applicants. A total of \$8700 was awarded.

The committee felt that each of the applicants met the criteria of merit, need, and involvement in church activities. Letters were sent to all applicants informing them of their selection, and their pictures were sent to The Apostle for publication.

Scholarships are funded by the existing trust funds for the Wilmer, Pannell, Wilson, Porter, and Soto scholarships and by parish ECW budget allocations, special gifts from individuals and parishes, and memorial gifts. Contributions may be sent at any time to: ECW Diocese of Alabama - Scholarship Fund, 521 North 20th Street, Birmingham, AL 35203-2611. The amount awarded each year is determined by the number of donations received; with increased giving, more and larger scholarships can be awarded.

Applications for scholarships are available from the Scholarship Coordinator, (insert name and address of new Coordinator) or they may be downloaded from the Diocesan ECW website: www.alabamaecw.org.
