

**EPISCOPAL CHURCH WOMEN
DIOCESE OF ALBAMA**

**Church Periodical Club (CPC) Report
December 2006
Gethryn S. Giles, Chair**

Information about how to have a successful CPC Sunday on May 6, 2007 has been distributed to all parishes. This information was given out at fall convocation meetings. If a parish was not represented at the meeting, the information was mailed to the parish.

Plans are for information about the Miles of Pennies program to be distributed to each parish in early 2007. According to national data, only one parish in Alabama sent in MOP money in 2005 and none in 2006. This is a great program and certainly the ECW's in the parishes in this diocese would be interested in working with the children of their parish if they only knew about it. Hopefully this lack of knowledge can be corrected and MOP will once again be a vital part of parish life in Alabama.

So----ECW Board Members -----Keep **PENNIES** in mind for the next few months.

More to come-----
