

**EPISCOPAL CHURCH WOMEN
DIOCESE OF ALABAMA
EVENTS COORDINATOR REPORT
SEPTEMBER 2006
GINGER BUCK**

Planning for the Fall Conference is mostly complete. Valerie has done a great job! She is currently in the process of receiving registration forms which were sent out in July. We are going to also do a targeted mail-out this week to people who attended last year's conference in the hope of increasing the number of people attending.

We are also accepting requests from parish ECWs who want to set up tables at conference to sell cookbooks, crafts, etc. Be sure to spread the word to parishes in your convocation!

Bishop Miller will be representing the Diocese at the Fall Conference. He will be preaching and celebrating at the Eucharist and has been invited to participate in the other activities at the conference.

I am currently working on the details of the Eucharist. The Rev. Ken Fields, rector of Canterbury Chapel, will be assisting Bishop Miller with the Eucharist, and our clergy liaison, Carolyn Foster will be serving as Deacon. We will have a choir. Anyone who would like to vest and sing with the choir is welcome.
