

Women's Weekend Committee Report

January, 2009

Plans for Women's Weekend are well underway. I recently received the 2009 rates from Camp McDowell. Not surprisingly, their rates have gone up, but not drastically. Stough Lodge and Miller Commons single occupancy has increased by \$8.00 per night, and double occupancy has increased by \$4.00 per night; the dorm has increased by \$3.00 per night; Scott House has increased by \$2.00 and cabins have increased by \$2.00. There was no change in meal costs. It should be noted that this is the camps' first occupancy rate increase in at least 3 years.

The WW Registration form is ready to go. After plugging in some last minute info, I can forward a copy on to Sally Sinclair so she can work her e-magic. A decision should be made about mass snail-mailing copies of the registration form to each church, or just to convocation coordinators.

The next planning meeting should focus primarily on the workshops that will be offered. Would like to have these in place before the Feb. Convention.
