

ECW Diocesan Board Archives Report
September 1, 2009

I have organized the ECW files that I have in my possession. After today's meeting, I will pick up any ECW materials that are at Carpenter House from Rob Morpeth. I will work those in with the files I already have. The files will then be turned over to the Birmingham Public Library to be added to the Episcopal Diocese of Alabama papers. The papers will be open to researchers. I will make photocopies of what appear to be the most important papers and will keep them on hand to answer any questions that the ECW Board might have. If anyone has suggestions for papers that might need to be referenced often, please let me know.

The notebooks that the secretary creates will stay with the archivist for 3 years, after which time they will be taken to the Birmingham Public Library to be added to the ECW collection.

Respectfully Submitted,
