

Episcopal Church Women
Diocese of Alabama
Church Periodical Club (CPC) Report
September 1, 2009

As of August 24, 2009 \$1,702.00 has been collected from across the diocese for CPC. Those funds were collected from 9 parishes. That represents approximately 10% of the total parishes in the diocese. A request has been placed to the diocesan office for a list of the postulants and candidates for Holy Orders. Checks will be issued to the seminarians once that list is obtained. A balance of \$2,485.02 is available for distribution.

Women from around the diocese participated in the National CPC Quilt give away. Our diocese contributed \$84.00 for 84 chances to win the beautiful quilt. The drawing was to take place during the triennial meeting. No word as to who won at this date.
