

## **ECW Archives Report**

April 16, 2010

In March, I picked up the ECW papers of St. Michael's Parish in Birmingham. When the parish closed, Rob Morpeth contacted me to examine the ECW papers and see what should be retained. After looking at the papers, I suggested that it was best to keep the papers with the larger St. Michael's collection, rather than filing them with the papers of the ECW Diocesan Board. While the St. Michael's papers are informative about some of the work of the Diocesan ECW, they provide much more information about the life of the parish itself.

I will process the St. Michael's ECW papers and return them to Carpenter House to be included with the other St. Michael's papers held there.

Respectfully submitted,

Valerie Pope Burnes
