

**Episcopal Church Women
Diocese of Alabama
Church Periodical Club (CPC) Report
September 9, 2010**

As of August 19, \$2,426.34 has been given to the CPC by 14 parishes in our Diocese. This represents 15% of the 92 parishes. Even though giving was less this year, more parishes participated which is encouraging. We currently have 9 seminarians who will receive \$270.00 each this fall. Originally, there were 11; however, one is no longer listed and one has declined the award. The 9 represent four different seminaries, including Sewanee Theological, General Theological, Virginia Theological, and Seminary of the Southwest.
