

Since our last board meeting, I have contacted all the ECW Convocation chair persons about the possibility of having someone from the Clergy Spouse Team speak to their Convocation Meetings within the next year about Krik?Krak!. I spoke on the phone with Mitzi Waldo, the new chair for the Montgomery convocation, to help her line up such a speaker. I plan to check back with the convocation chairs later in the year to see if they plan to have such a program and if they need help with it. I have also committed to being the speaker for one convocation program myself, and I will be doing the program on Krik?Krak! for my own ECW.

In addition, I have a donation in hand for \$1000.00 to go to Krik?Krak! for the fund raiser the Clergy Spouses have ongoing to rebuild the facilities at Crochu. I will put this donation in our St. Philip's ECW account and it will count toward our ECW response to the Clergy Spouses request for help from the Diocesan ECW to fund this project.

I would encourage all Convocation Chairs to designate the offerings at their Convocation meetings for the Krik?Krak! program. I will send a follow-up email to that effect.

Blessings and peace,

Judith W. Comer+
