

**Episcopal Church Women
Diocese of Alabama
Church Periodical Club (CPC) Report
April 12, 2011**

As of March 31, 2011 \$1165.00 remained in the CPC account after disbursing \$270.00 in October, 2010 to 9 seminarians. The larger than usual amount is due to donations, always welcome, coming in after the checks were mailed. Emails or letters were sent to all parish ECW presidents or CPC representatives in March regarding the Church Periodical Club and CPC Sunday, May 1. A copy the current material and resource form from the National CPC was also sent. At this point, our diocese has 14 seminarians who will be eligible for funds this fall.

Thank you again for your generosity to our seminarians in the past and be considering what we can do this year.
