

President Elect Report.

April 12<sup>th</sup> 2011

I attended the Cheaha Spring Convocation meeting at St. Luke's Jacksonville.

The 2011 Parish Leadership Training Event ECW breakout session was a great success. There were 15 attendees plus me. After a short ECW 101 discussion we launched into the main part of the session, a general discussion of how to encourage new and young women to get involved with ECW. Everyone was very open to suggestions and ideas and hopefully everyone left with something positive to take home to their own parish.

I am currently working to fill positions on the 2012-2013 ECW board and ECW committees. If you know of anyone in your parish or convocation that would like to get more involved with ECW please let me know.

Respectfully Submitted.

Fiona Watts
