

## Scholarship Report

Spring 2011

Gethryn Giles, Fiona Watts, The Reverend Allison Carmody and I met on Feb 10 at St. Stephan's to discuss The Women at the Well scholarship. I have designed an application and we discussed guidelines as to how applicants would be selected to receive scholarships. We discussed the WW scholarship committee be a subset of the Scholarship committee. We discussed the members being the scholarship chair, the representative of the President's convocation and one other member. We agreed it would be difficult for the entire committee to meet each time we had an application.

The application will be available on the website. We are hoping to have this scholarship active after the college scholarships are announced.

The application and guidelines are attached to this report.

College scholarships are coming in and the meeting of the scholarship committee will be the last week of May or the first week of June, depending on the best date for the majority of the committee members.

It has been suggested to me that we list the names of donors to the scholarship fund in the Episcopalian twice a year. By listing the donors publically we hope that this will increase the visibility of the scholarship fund and remind others to donate.
