

**Episcopal Church Women
Diocese of Alabama
Church Periodical Club (CPC) Report
January 6, 2011**

As of November 30, 2010, \$829.80 remained in the CPC account after disbursing \$270.00 in October to 9 seminarians. Comments from several of the seminarians include “another tangible example of God’s work in our world” (Michael Goldsmith); “what a wonderful surprise... and generous gift!..” (Donna Gerold); “a blessing to be supported in my education and ministry by such a good and thoughtful group...” (Katie Nakamura-Rengers); and, “thank you so much for your support... it warms our hearts to know that we are being thought about...” (Jeff Evans). One theme that ran through all the responses was that they and their work are remembered by those at home.

Be looking soon for your 2011 CPC packets as we approach the time for CPC Sunday in May. Thank you again for your generosity to our seminarians in the past and be considering what we can do this year.
